ABOUT IOSD

**INDIA'S LARGEST OPEN SOURCE
DEVELOPMENT BASED
ORGANISATION.**

We at IOSD, believe in aggrandizing the development purlieu in the country. We provide a well-resourced dais for developers to come together and create projects, -Have a tech-a-tete-on their ideas and learn in an adjutant environment. We provide mentor-ship and collaborations on projects in both public and private sector. IOSD is the only student-organization that is completely development oriented. At first, students are given interactive technical sessions by senior members so that all the students can get familiar with the new development culture. . IOSD is India's Leading organisation Headed by students and youth and is rapidly expanding with student chapters all over India and the world. We have organized maximum Hackathons in India and continue to grow in experience and numbers.
